WHAT IT SOLVES

Protected from the box and connected everywhere

Blue EVA case
Rigid foam case with a handle, wrapping corners and edges: it absorbs the blow of a fall.

4G with dual SIM
Two nano SIM slots with 4G, 3G and 2G bands: browse on mobile data where there is no WiFi network.

T310 with 4 GB of RAM
2.0 GHz processor with Android 13 and 64 GB of storage, expandable via microSD.

5000 mAh battery
The capacity of a large phone in a body 9.5 mm thick, with charging over USB type C.

What an EVA case is: the **EVA** is the rigid foam of exercise mats and helmets: it takes the blow by deforming and returns to shape. Unlike a silicone cover, it wraps corners and edges —which is where a tablet breaks when it falls— and it usually adds a **handle and stand**. That is what turns an ordinary tablet into one fit for a child.

WHERE IT FITS

Made for the kids, for school and for home

FOR THE YOUNGEST

Protected from the box

The EVA case wraps corners and edges, adds a handle to carry it and a stand to prop it up: what a tablet used by a child actually needs.

- Blue EVA case included
- Carrying handle
- 10.1" IPS display

CLASSES AND TRIPS

Connected without the WIFI

4G with dual SIM slots and GPS: the online class or the homework works the same at home, in the car or where the wireless network does not reach.

- 4G, 3G and 2G
- Built-in GPS
- Dual nano SIM slots

EVERYDAY USE

A full day without the charger

5000 mAh with a 10.1-inch screen, 5 MP and 2 MP cameras and a 3.5 mm audio jack for wired headphones.

- 5000 mAh battery
- 5 MP and 2 MP cameras
- 3.5 mm jack
